

REGULATIONS

REGULATIONS – The voucher is non-refundable – It is valid for a minimum of 3 consecutive nights, which must be used by 31/12/2021.

The pricing of the offer is set by the property, in line with its features and average annual rate, and refers to a specific type of room; certain periods may be excluded from the offer and indicated as such. If you choose a 7-night stay, you'll pay for just 5. The maximum value of the voucher is €150, or €300 for a double room.

– The vouchers are not cumulable for the same stay, with the exception of 14-night stays, for which 2 vouchers per person may be used: you will thus pay for only 10 nights out of 14.

– The offer is personal to the user named on the voucher and may not be repeated by the same client on consecutive dates. In the case of name change of the user, please send details to info@cuneoalps.it. There is a purchase limit of 10 vouchers per person per property.

– The offer is open to travel agencies and tour operators, who may purchase up to 100 vouchers, with a maximum of 10 vouchers per property, which may not be resold alone but only in conjunction with other services. The voucher is not cumulable with the Holiday Bonus of the Italian government's "Recovery Decree" or with other promotional offers, at the same property, or during the same stay.

- You will be charged for any extras and for the tourist tax for each night, payable at the property at the time of your stay.

- The Piedmont Tourist Boards recognized by Law 14/2016, under the direction of the Federation of Piedmont Regional Tourist Boards – Piedmont Incoming, are assigned by the Region of Piedmont with managing the tourism recovery project entitled "The Region of Piedmont triples the value of your holiday". The project features the participation of all hotel and non-hotel accommodation with a regular tourist licence. The venture is aimed at boosting tourist numbers and generating immediate liquidity for the accommodation facilities operating in Piedmont.
